

Academic Status: 101107552	George Brown College	Entry Term: Winter 2013 (211792)																																																																
Credentialed: Ontario College Advanced Dip.	Academic Progress Report (APR)	Catalog Term: Fall 2013 (201951)																																																																
Program: 1127 Computer Programmer Analyst	Prepared: February 15, 2021	Current Semester: 4																																																																
Major: 1127 Computer Programmer Analyst		Current Term: Winter 2021 (201952)																																																																
Min Required Program GPA: 1.70		Credentialed Status: SO - Souk																																																																
Actual Program GPA: 1.87	Cumulative GPA: 3.76	Graduation Status:																																																																
*** Credential Audit Summary ***																																																																		
Number of Courses required for Credential: 25																																																																		
Number of courses earned at GBC: 19																																																																		
Number of courses currently in progress: 6																																																																		
* Program Requirements: Not Met
